

NexusCloud Enterprise Platform & SLA Architecture Guide

Document Version: 3.4.0 | Classification: Customer Operations & Technical Support Manual

1. Global Platform Overview & Support Tiers

NexusCloud delivers enterprise AI agent orchestration, local vector embeddings, and multi-tenant RAG query infrastructure. Support operations run 24 hours a day, 7 days a week for enterprise subscribers with active SLA contracts.

Tier Name	Monthly Cost	API Call Quota	Support SLA Response	Vector Storage
Developer Free	\$0 / month	1,000 requests	Community Support	Up to 3 documents
Pro Professional	\$49 / month	50,000 requests	Under 4 Hours	Up to 25 documents
Enterprise Platinum	\$499 / month	Unlimited requests	Under 15 Minutes (24/7)	Unlimited partitions

2. Return, Refund & Cancellation Policy

- **30-Day Full Refund Window:** All self-serve monthly and annual subscription plans are 100% refundable within thirty (30) days of initial purchase date.
- **Physical Developer Hardware:** Unopened Nexus Edge developer hardware kits may be returned within 45 days. Items must be unopened in original factory shrink-wrap.
- **Frontline Refund Authorization:** Tier 1 support agents can authorize instant refunds up to \$100 without manager escalation.
- **Processing Duration:** Approved refunds are credited back to the customer's original payment method in 5 to 7 business days.

3. Technical Diagnostic Error Codes & Runbooks

- **ERR-4032 (Database Timeout):** Database pool exhaustion or local vector store lock contention. Resolution: Execute docker-compose restart backend and clear browser client cache.
- **ERR-5001 (Payment Gateway Timeout):** Stale OAuth token or expired Stripe/PayPal API session key. Resolution: Admin Dashboard > Integrations > click 'Refresh Secret Tokens'. Do not double-charge.
- **AUTH-909 (HMAC Mismatch):** Webhook verification failure caused by system clock drift. Verify server NTP synchronization is within 5 seconds.
- **NET-204 (Inference Capacity Exceeded):** Upstream LLM returns HTTP 503. The system automatically routes to local secondary Ollama fallback.

4. Enterprise Service Level Agreement (SLA) & Credit Formulas

NexusCloud Platinum guarantees 99.95% monthly service uptime. If service availability drops below target, customers are entitled to billing service credits upon ticket submission within 30 days:

- **99.00% to 99.94% Uptime:** 10% credit applied to next billing invoice.

- **95.00% to 98.99% Uptime:** 25% credit applied to next billing invoice.
- **Below 95.00% Uptime:** 50% credit applied to next billing invoice.
